Phone number: (US)+1 [617-675-4444](tel:617-675-4444) PIN: 509 697 816 3901#

Introductions:

Approval of February Minutes: February's minutes will be postponed till next month.

Public Comment:

A member has had a hard time switching from open card to EOCCO. She also had another kid getting switched from one dentist to another. She had the ROI and everything with the mother due to her not being able to make it to the son's appointments. When she went to advantage dental, they refused to let the child be seen since she was not his mother. A few of the members reached out and had given her their numbers to help her more.

Another member reported that there is a lot of commercials that cause confusion on dual eligibility. They have been receiving tons of calls about the dual eligibility.

Introducing Troy: Jill will be going on maternity leave in May and we will need someone to help take her place while she is gone. Troy Soenen will be filling Jill's roll while she is gone. He is very familiar with the Union LCAC and how everything works. Marci McMurphy will be Troy's back up. Due to working with the Malheur County

2020 Final Update: We have been collecting data from all the last years projects. We have received most of the project's data. We have not received the Lactation support project we have not received dWe did buy vaccination materials that can be given to parents. They talk about the importance of vaccinations and

2021 Update: The EOCCO met February 24th and they did report back on a few bullet points that we will need to work out with a few projects. It is just changing around the way they will be able to collect data, others will need to look into what other funding they can get to be able to continue. It does look like we are on track to receive our first round of funding.

EOCRN Presentation: This is a service that helps to serve gaps in the community. It helps connect people to resources and if things they may need. The model behind it is build success. It is not meant for people to be looking for themselves. It is usually meant for

either family members that know another family member that may be need of something or anyone that may be working with a family. They are looking for members that would like to be a part of the committee that is working on this program. Chris Evans made a request to partner with the EOCCCO LCAC in Wallowa, Baker and Union Counties. Kathy Ganung made the motion and Lenore Case seconded. Motion passed.

Announcements:

- Lisa Ladendorff was our Union LCAC representative at the Eastern Oregon Healthy Living Alliance. She has recently stepped down. We are looking for people who may be interested in sitting in as the representative.
- There will be a COVID Vaccine provider training April 16th. It is for providers or even Community Health Workers or also anyone that may want more information on it.
- There will be a Darkness to Light training. It is a training on helping parents learn how to work with children who have been sexually or physically abused.
- Community Connection has received funding for rental assistance to help people with housing or paying for past rent, or rents that due.
- Grande Hospital will be doing their Health Needs Assessment here soon. And if you want to be involved with doing that please get ahold of Wendy Roberts
- The meals on wheels program will not be doing it this year and if anyone has any idea of any meal programs in the summer please let Chris Evans know.
- Community Connection ha
