April 21, 2021 Minutes

Rhiannon opened the meeting by asking for approval of the April 21, 2021 CAC meeting minutes. The minutes were reviewed by email and approved by consensus as presented.

Linda opened the conversation to review and update the CAC Community Health Improvement Plan (CHP). The council engaged in updating the plan beginning with the current plan's priority issues. After discussion and shared wording changes, the plan was partially reviewed. It will require additional attention either by holding a workgroup or using email review to update the plan and bring it to a vote by the June meeting.
