To begin a new Outpatient PA request, follow the steps below:

- Review for plan coverage as necessary.
- Click on the **Medicaid prior authorization list** to check if the requested CPT/HCPC requires a PA.
- If the procedure is not on the prior authorization list, refer to the **OHA prioritized list** to check for line placement and diagnosis code line placement. If the code is on the prioritized list and the procedure code and diagnosis code pairs above the line, then no prior authorization is required.
- Review your previous PA request history for the subscriber. You will only see requests that have been submitted under your Benefit Tracker login.
- If no previous PAs exist, you will not see any history.
- Click on **Create new request** to continue the PA request.

Under Requestor contact information, enter the following: <ul style="list-style-type: none"> ○ Contact name (Required) ○ Contact phone Number (Required) ○ Contact Fax Number (Required) <p>Click Attach chart notes to continue.</p>	<p>Requestor contact information</p> <p>Contact name *</p> <p>Contact phone number *</p> <p>Contact fax number (optional)</p> <p>2. Attach chart notes > Cancel</p>
<p>Step 2- Attaching Chart Notes (Required)</p> <ul style="list-style-type: none"> • Acceptable file formats (txt, docx, doc, pdf, jpg, gif). • The notes can be attached by using either drag and drop function or you can browse your own files and upload directly. • Additional Comments (Optional) - This box is optional but can be used to communicate additional details or additional information as needed. • When finished, click Save and review. 	<p>Step 2: Attach chart notes</p> <p>Upload chart notes to attach to this request.</p> <p>Chart Notes</p> <p>Please ensure your submission includes notes for the associated patient. ⓘ</p> <p>Drag and drop files here or Browse files</p> <p>Most file types accepted. Maximum file size: 28 MB</p> <p>Additional comments (Optional)</p> <p>Type comments</p> <p>Maximum character limit: 4000</p> <p>3. Save and review > Cancel</p>

Step 3- Review before Submitting

- This is the final stage prior to submission. Please be sure to review everything for accuracy.

- **If all information is accurate, Submit request** - Click **Submit request** to fully submit the prior authorization request.
- **If there are errors that need correction, Cancel.** If **Cancel** is chosen, you will receive a final prompt and warning before the request is fully canceled.

Step 3: Review before submitting

Review the information you've provided before submitting your request.

Request Submitted

- After submitting the request, you will be directed back to the provider authorization history for the member that is in focus and should see a confirmation message that the PA request has been submitted successfully. The PA request will show **Pending Decision** until the request has been determined. It will update once a decision has been made.

- The following information will be displayed:
 - **Request ID**
 - **Last Update Date**
 - **Primary Procedure Code**
 - **Procedure Description**
 - **Date span**
 - **Status**

Prior authorization requests					
Request ID	Last update date	Primary procedure code	Procedure description	Date span requested	Status
<div style="border: 1px solid #ccc; padding: 5px; background-color: #e6f2e6;"> ✓ Prior authorization request successfully submitted ✕ </div>					
P00001547	03/07/2024	29887	"Arthroscopy knee surgical; drilling for intact osteochondritis dissecans lesion with internal fixation"	03/04/2024 - 09/04/2024	<div style="border: 1px solid #ccc; padding: 2px 5px; background-color: #e6f2e6;">Pending Decision</div>

What changes can be made to a case after the request has been submitted?

- Changes cannot be made to cases after they are submitted. If you'd like to request a change, please contact Healthcare Services at the number listed at the bottom of this FAQ.

[Return to FAQ Table of Contents](#)

Why does that application hard code various fields?

- You may see various fields that are hard-coded when submitting your auth request. This is based on best practices to ensure there are no issues with claims processing.
 - If you have concerns, please contact our Healthcare Services or Behavioral Health department at the number listed at the bottom of this FAQ.

[Return to FAQ Table of Contents](#)

What should I do if I receive a message deferring me to a vendor?

- Follow the instructions and submit your authorization request to the vendor, as detailed in the message.
- If you are unable to submit your request through the vendor portal or if you feel you have been deferred to the vendor in error, please contact Healthcare services at the phone number listed at the bottom of this FAQ.

[Return to FAQ Table of Contents](#)

How do I initiate requests for benefit exceptions?

- The following benefit exception requests should be faxed to the number listed at the bottom of this page.
 - Requests for excluded services
 - Services over the max benefit limitation
 - Such as requests for PT/OT/SPT over the maximum benefit limitation, for head or spinal cord injuries
 - Pediatric therapies (PT/OT/SPT)

[Return to FAQ Table of Contents](#)

How do I initiate requests for in-network benefit exceptions and single case agreements?

- If the request requires prior authorization, submit the requested code, and indicate in the comments that an in-network benefit exception or single case agreement is also being requested.
- If the request does not require prior authorization, submit with an office visit code, and indicate in the comments that an in-network benefit exception or single case agreement is also being requested.

[Return to FAQ Table of Contents](#)

What do I do if I experience an error that prevents me from submitting an authorization request?

- Contact the appropriate Customer Service at the number listed below or fax your request to the number listed below.

[Return to FAQ Table of Contents](#)

When do I need to call Healthcare Services vs Customer Service?

- Healthcare Services for questions regarding physical health authorizations:
 - Eastern Oregon Coordinated Care Organization: 844-827-7467

- Customer Service for claim and benefit-related inquiries, or questions on how to submit an authorization request through the auto-auth application:
 - EOCCO Medical Customer Service Toll-Free: 888-788-9821

[Return to FAQ Table of Contents](#)

How do I fax an authorization request?

- EOCCO physical health requests: 833-949-1886
